

OUR COVENANT

As members of Church of the Palms, we covenant to be a diverse, open and affirming community of faith, extending a warm welcome to all. We come together to worship God, grow in faith and knowledge - equipping us to serve God and each other in our community and beyond. We will, to the best of our abilities, attend worship, observe the sacraments, and participate in church activities including work and financial support. As a church of Jesus Christ, we will support each other in friendship, community, and prayer.
